

Cheshire Community Church

Newsletter December 2020

Hello Everyone,

I hope you are all doing well. Lots has been happening around here and I wanted update everyone on our current status. It looks like the Corona virus infections are on the way back up.

We have been carefully meeting all summer by distancing in the sanctuary, cleaning between meetings, and by using hand cleaner and masks.

Recently we purchased small tables so the young people in children's church can be with their siblings but separated six feet from others. Each child has his or her own packet of supplies.

We are also filtering the air for a little added protection.

We are still not able to provide nursery for the tiny ones, but they can stay in the sanctuary with their parents.

The chimney and gutter have been repaired on the church house thanks to Caleb and Elisha Cotter. The chimney will be painted the same color as the bricks when warm weather returns in the spring.

This window was purchased in 1910 by the 20 somethings!

The window is repaired, the artisan said one of the mounts was installed incorrectly. Thanks to all who gave to this project.

The twenty-club: *L to R: Milford Allen, unknown, Floyd Mallory, Newton Rogers, Leah Allan, Gratia Townsend, Daniel Donovan, Francis Groom, Morton Jones*

(Floyd and Leah are Janice Eames' parents!)

Let There Be Light! All the bulbs have been replaced with high intensity bulbs. Not only can we see, the price of the electric bill will be reduced.

Thanks to all who donated to operation Christmas child. There is a special blessing promised to those who give to those who cannot repay.

Once again, we passed our fire inspection with no violations.

Due to Covid we decided not have our traditional Christmas Eve. service this year.
